In continuation of this office Memo No 14583-4 dated 10-2-1943, I have the honour to forward herewith, a copy of letter dated 3-3-1943 received from Rev Mother Superior on the above subject, and to request you to be so good as to communicate orders of Government in the matter of granting a further period of time for clearing the arrears

Letter dated 3rd March 1943 from Rev Mother Superior, St Martha's Hospital, Bangalore City, to the Chief Engineer of Mysore, Bangalore

---

In acknowledging the receipt of your letter dated 10th February 1943 No 14583-4, with reference to the arrears claimed by the Water Supply Division, I solicit you to be good enough to grant us a further period of time, not being in a position to meet the bill

His Highness' Government having allowed us a free water supply eversince the Hospital was opened in 1886, no provision was made in our budget for these extra charges levied since 1939

Owing to the high cost of stores, not to say the least of drugs, medical appliances, etc , and owing to help formerly received from abroad having now completely ceased coming in, we find it extremely difficult to face extra burdens and have therefore decided to make another effort to approach His Highness' Government to reconsider their decision

I shall feel very grateful if you will kindly grant me the favour solicited
